

South End Golf Nuts Team Event Rules

The team competition will be scheduled every other week of league beginning on Wednesday, May 16th. We have two divisions. The “Palmer” division and the “Nicklaus” division. Upon completion of the final week of play the first and second place teams from each division will play one another for 1st through 4th place.

Two man teams play head to head against other teams to establish a win-loss record. The scores from each player will be logged along with their handicaps and a final score is formulated. The higher handicaps from each team will go head to head for a point and the two lower handicaps from each team will go head to head for a point. If teammates have the same handicap on a given week, the teammate having the lower handicap for prior weeks play will remain in that position to determine who plays who head to head. There is also a point for which ever team has the lowest accumulative score over all so that means there are 3 points possible for each match. Teams are encouraged to play head to head against the team you are scheduled to play against.

If you do not play on a given week, you **cannot** win the point for the head to head competition but for team scoring purposes, there will be a penalty of handicap plus 50% for players that don't play or make up a certain week in the team competition.

Teams with more than two players must acknowledge to your opponent which players will play that week **before** competition begins. These players must be clearly marked on the scorecard. Players from previous week will be used if no notification is given or it is not noted on the scorecard. If two of a three person team is available to play, their scores must be used for that weeks team event.

Unlike league rules, the team competition has no maximum strokes that can be taken on a hole. If you shoot a 7 on a par 3, 7 will be used for the team score.

If you need to make up a round for the team event, it must be made up by the Sunday BEFORE the next team competition. The scorecard must be put in the “South End Golf Nut” box in the clubhouse at the course **AND** you **MUST** relay your results to the commissioner before the end of the day on Sunday. Failure to do so will automatically force a “Did Not Play” (DNP) for that player or team for that week's competition.

YOU MUST write “TEAM EVENT” on your score card for inclusion in the event. Any card not marked will be considered for handicap purposes only and will not count towards the team event.
