

2015 Hackers Rule. Gold Mountain 8-29-2015. 1st tee time is 11:00 am.

I would be there by 10:00 at the very latest, meeting by driving range at 10:45pm. Range balls are extra.

CARTS ARE INCLUDED

- 1) Scramble format. All play will begin from the white tees. Each player tees off and then the best shot is chosen and all players play from that spot (within 3' of the spot, same basic shot must be maintained) if in a bunker each player can smooth sand after the previous player has played before their shot. But cannot move it out of the bunker unless you use string.
- 2) \$20.00 per foursome for 5' of string, which can be used anywhere except on the green of the toilet bowl hole. –IE- on a par 4, after all players have putted on a hole for a 3 and no one holed out and the closest ball is 3" from the hole you can cut off 3" of string and record a 3 on the score card. 2 mulligans. One per group for the front nine and one for the back nine. You will want to take this option for your group. Only \$5.00 per player. The money raised will be used for the closet to the pin and the farthest from the pin on all the par 3 holes plus straight drive.
You cannot unwind the string and use individual strands, or soak the string and then stretch it out. Measure from the front of the ball and cut off the amount. Please turn in any remaining string and scissors when finished. Prize for most string left.
- 3) Closet to the hole on two par 3 holes. There will be 2. One on the front and one on the back. The course will set them up. If you want the KP prize all players must play from this spot. Play from the white tees on these holes. Put your name down even if you're not the closets, can only win one price.
- 4) Farthest from the pin on the other par 3 holes. There will be 2. One on the front and one on the back. Course will set it up. If you want the farthest from the pin prize all players must play from this spot. Play from the white tees on these holes. Put your name down even if you're not the farthest from the hole, can only win one prize.
- 5) Straight drive hole, to be determined by the course. Closest to the line, distance does not matter. Play from white tees.
- 6) Each player must have 3 drives in total. One per nine, choose the 3rd on any nine. Must have three 2nd shots, one per nine; choose the 3rd on any nine. If you want to use a 2nd shot on a par 3, you must use any club except a putter (yes all players). Play from the white tees. If you net score is a bogey or worse you will move up to next forward set of tees. If you bogey or worse again you move up to the next set of tees. If you get a net birdie or better you move back to the tees behind, but in no case farther back than the white tees.
- 7) We have 8 groups, so please try and keep up with the group in front of you. Play ready golf. If the marshal has you pick up and move ahead, the score for that hole will be a triple bogey.
- 8) Dice hole. When you come to the dice hole (hole #12, cardiac hill) you will see the shoe box. Each player will role a dice and the number that comes up will be the club you must use until you reach the green, where you can use a putter. Play from the white tees.
- 9) Keep track of all lost balls as a group, even if you retrieve the ball it is to be counted as a lost ball. There will be a prize.
- 10) Keep track of putts as a group. If all players miss a putt for and you use string to hole out, the team putt scores would be 4. A putt only counts if the ball is on the green, not the fringe even if you putt from the fringe. There will be a prize.
- 11) Toilet seat hole. You will see the toilet seat on a green; don't know which hole until we get there. You cannot use string to get into hole only on this hole. You may use a mulligan. Just gotta figure out a way to get it into the hole. No crying.
- 12) This is a fun tournament, please watch your language and don't use the course for a bathroom. They have facilities throughout the course. Please let me know if you have any suggestions to make it better next year.
- 13) We will meet at the patio/bar area when finished. Please turn in your score card, string & scissors before you head to the car and drop off your stuff.
- 14) When you check in at the pro shop, we are the hacker's tournament. Golf and carts are paid for. They will have a special food menu for us to choose from so that they will be ready for us when we finished. Should make service much faster when were done. Food is not included in the entry fee.
