

## 2016 South End Golf Nuts Year End tournament

We will have a quick meeting at the putting green at 9:00am.

- 1) Shotgun start at 9:30. Golf course will let us know which holes each group will start on.
- 2) Play USGA rules. No lift clean and place (unless we have a down pour) if in doubt of a rule play 2 balls all the way out and we will decide after words.
- 3) Please keep up with the group in front, if the marshal has you pick up you are disqualified.
- 4) We will be meeting in the restaurant at the golf course afterwards to give everything away.
- 5) Please keep track of putts. Must be on the green to count as a putt. No gimmies putt everything out.
- 6) Keep track of all lost balls. Ball is lost if you hit it out of bounds, in a water hazard (even if you're able to retrieve it, it is a lost ball) or if you cannot find your ball.
- 7) If you hit a ball into the trees and cannot find it and it is not marked with either a red or yellow hazard then you need to go back to the previous spot and replay and add a penalty stroke. If it is marked then proceed under the red or yellow hazard rules.
- 8) KP'S. Can only win one. Put your name down even if you're not the closest.
- 9) Straight drive is open for everyone in the tournament, course will set the hole
- 10) We will be having the putt off for the helmet of shame and DAISY. (all yours Kramer)
- 11) Only post your gross score, and add it up. Do not handicap it we will do it.
- 12) See Dave Shotwell if you want to bet on the winner. Pretty good pot.
- 13) Watch for crossing golf carts on back nine. 3 or 4 holes cross and cannot see other carts coming.
- 14) #14 hole. Canyon hole. If you hit 2 balls out/lost then you can go to the next forward tee and play from there.
