League Basics

League Fee is \$20.00. Official play is Wednesday's at the Auburn Golf Course.

We begin official play on April 11th, 2018. For March you can play but none of the rounds will count unless you are trying to establish a handicap. This means no KP'S, no hole in one, no low net scores.

We have 4 tee times on both the front and the back (8 Total) every week beginning at 5:00 PM.

Draw cards at 4:50. Palmer & Nicklaus divisions will rotate each week between front and back.

Tee off early (2:00 PM). Early rounds do not count towards your handicap unless you declare it as a league round. We are a nine hole league

"USGA Rules" during league play, except for winter rules. Course will post summer rules

League Website

Address is: golfnutsclub.com

Handicaps

We have a program, which tracks our handicaps for the league.

Only rounds played at the Auburn Golf Course will be counted towards your league handicap.

USGA GHIN cards are not valid for our league. If you want one need to join Auburn men's club.

We will carry over all handicaps from last year.

Minimum of 3 current year rounds of 9 holes to establish a handicap. Then you can play in any of our weekly events or match play or team event

Double par is the maximum you can take on any hole except for team event, match play and other special events.

We will adjust all scores over double par

GHIN Cards

Auburn players card \$60.00. 1 free round plus discounted green fees or in you join the men's club price is \$30.00

Men's club is \$95.00 if paid by credit card or \$90.00 if pay by check or cash

If you buy both at the same time the fee is \$\$120.00 or \$125.00 by credit card. Get another free round. Must use before 5-15-2018 or after 9-15-2018

If you sign up for email's you will get a free birthday round

Scorecard Reminder

Write as clearly as possible (for obvious reasons).

Use first and last names on the cards not just first names (i.e. we have 4 John's, 3 Scott's,)

Time and Date your card so I can differentiate between 2 and 5 o'clock rounds.

Note whether the card is for a specific event or if simply for handicaps

If you've paid your \$5 for the yearly KP competition & you get close to the hole, makes sure you clearly mark it on your card so I cannot miss it.

If a score is to make up an event (Team Event, Match Play etc.), note the date of the event that the score is being made up for (i.e. "for 5/16 team event")

MAKE SURE TWO PEOPLE ADD UP AND SIGN THE CARD. I'm going to be a stickler about this as I've found many cards added incorrectly.

If you play on a different day you can put your score card into the cigar box in the pro shop in cabinet under the golf gloves

If you in the skins game you should have 2 separate cards to turn in.

Skins game, Mike Brooks or Chris Griggs.

Optional weekly event. \$3.00 Low score on a hole wins part of the pot. 50% of your posted handicap. If your handicap is .01-.05 then round down if .06-.09 then round up. Par three holes are closest to the hole. Please leave a tee where your shot ended up, but you **MUST** put the distance on your score card. Once a card is turned in, that is it. No last second amendments. Please circle it on the card. If you forget to write it on the card, then too bad so sad. No money for you. -IE- Please have someone verify the card and have the scorekeeper sign it. Pot is determined by how many holes were won. -IE- if there were only 5 holes won then the pot is divided by 5. There is a front and back skins game.

Restaurant Info

We will be staying at the golf course after the rounds. Please turn in your score card ASAP so we can figure out who won what. Greatly appreciate it.

Restaurant has given us discount cards; believe they will ultimately give us plastic ones. They have a new point system where you can get credit for every dollar you spend on food and drinks. They are going to try and have more specials.

Arification

The course will be doing 2 arifications this year. Tentatively set for March but because of how much rain may get moved in April and then again in September, no firm dates at this point.

The high school will be going off late August early September but should not interfere with us.

Scores of the play in determine the seeding position.

End of the Year Tournament

It was decided at our league meeting that we are going to shut down the- league at the end of August instead of going into September. So tentatively we are going to shot for 8-25-2018 for the year end tourney. It was also decided that many of the league wanted to travel to a course and spend Friday night out of town. We will also make it within a decent driving distance for those who can't get away on Friday. We will also set up a skins game on Friday the 24th. It was also decided to play at a better course even though we will have a smaller prize fund or depending on the course we may have to raise the fee from the current \$100.00

Suggestions of where you would like to play let me know. I would like to book times before end of April.

Anything else you want to bring up for the good of the league let me know.
